### Chairmans Report

Good luck to all North Yorkshire league drivers going to the nationals:

Class 1	Y182 Tony Watson	Y131 Joe Sharp
Class 5	Y34 Mark Grice	WR95 Mark Gascoigne ( <i>J 3<sup>rd</sup> reserve</i> )
Class 8	WR52 Bryn Hawkins ( <i>8<sup>th</sup> reserve</i> )	
Class 8	WR111 Paul Wright ( <i>8<sup>th</sup> reserve</i> )	
Class 10	WR11 Shaun Wright	WR175 Dave Stokes

Some of the committee have visited Uncle Eddies again on 21<sup>st</sup> July and discovered there are problems with the Environment Department and his planning permission. They have closed him down pending his appeal against the decision. We consider it lucky that we hadn't actually agreed to anything with him.

The farmer at Brierley will be contacted after the nationals.

### Scrutineers Report

Nothing has been heard from Ben Walker regarding advance scrutineering before mens nationals.

### Secretarys Report

Details of Brampton Banger track and an ex moto-cross track given to the committee to look into. A report will be given at next meeting.

### Treasurers Report

NASA have been paid for the whole year leaving a total of £7510 in the bank. We need to find sponsors for the annual trophies.

Sturton have had their recovery trucks and other things stolen from the field so Rosemary suggested we return the gate money they have been giving us as a gesture. We have also offered to lend them our track cars as they are just sat in storage not doing anything. Paul will speak to Sandy.

The Presentation is booked for the Encore (same as last year); do we want a buffet or sit down meal. The vote was for sit down meal. The invite is to be extended to anyone who may like to come, the more the merrier! A disco has been booked and the tickets will probably be about £20.

### Membership Secretarys Report

We have 86 members this year so far; the cost of a licence will be reduced after the nationals to £30 (including rule book) and £20 for juniors.

### Other Business

The rules for the War of the Roses meeting need to be decided in advance before 2013 meeting and agreed by both clubs so everyone knows what is happening on the day.

Jasper asked about Ringstone Farm; Paul said he will contact him after the harvest.

It was mentioned that it is possible to join CGTRO as an 'Affiliate Member' which allows you to take part in their CGTRO Championship.

There was no further business so the meeting closed @ 22.00
