Chairmans Report

Congratulations to everyone who did the national qualifiers.

Marshalls Report

There was lots of help from WR members across both sets of qualifying races.

There was a class 7 complaint which was sorted on the day.

The Class 3 incident which involved abusive and threatening behaviour to NASA officials was dealt with by the league and a disciplinary letter was issued to the York driver Phil Thompson Y51

Thanks to everyone who helped at the show at Event City in Manchester, it was a big success.

AGENDA ITEMS

1. The Presentation Night has been provisionally booked for 23rd November at the Encore at Barnsley (same as last year). Rosemary has realised she will be away on that date so if an alternative venue can be found before the payment is required for the Encore that would be good.
2. Wakefield Car Show in Thornes Park have offered us up to 5 places to exhibit on Friday 5th July. This is an evening show from 5pm. We have offers so far of both junior champions, Joe Joplin and Callum Ball and also from PG’s class 8. It is felt we also need a nice saloon car.
3. The Navigation Pub at Wakefield has been chosen as the venue for next month’s meeting on 28th May and we will need to make a final decision as to wear we will hold committee meetings from then onwards.

Meeting closed 21.30
